

Mike is the Executive Vice President of Manufacturing for Albers Aerospace and the President of Heritage Aviation, Ltd. an Albers Aerospace Company. Albers Aerospace is headquartered in the Dallas area and is comprised of Three Business Units: (1) Manufacturing, (2) Engineering, Aviation, & MRO, and (3) Innovative Technologies.

The company has experienced unprecedented growth since 2018 and continues to accelerate its product and services offering under a Inspire Others/Deliver Value vision and commitment to supporting our Warfighters through the development of dual use technologies.

Heritage Aviation, Ltd. is headquartered in Grand Prairie and is an aerospace manufacturing company that includes machining, sheet metal fabrication, wire and cable harness assembly, and mechanical and electromechanical assemblies. Heritage Aviation has experience supporting many of the largest Tier 1 aerospace companies (Lockheed, Vertex, MD Helicopters, and Airbus) as well as a Part 145 repair station that delivers a broad scope of opportunities to the Albers Aerospace portfolio.

Mike has over 35 years' experience in Aerospace Manufacturing. His experience in metal fabrication, and electromechanical assemblies has spanned those 35 years with many Aerospace customers across the US. Mike has been very involved in all AS9100 Aerospace quality systems and the development of those systems for multiple manufacturing entities. He has spent his career on growing manufacturing companies thru organic and acquired growth to become leaders in the manufacturing industry. Quality and Value to our customers is Mike's goal and mission for Albers Aerospace and Heritage. Enabling our military to have the "Best of the Best" equipment for our Warfighters is his Top Priority!

Mike is a graduate of Tarleton State University and is still very involved with the College of Business and the Emerging Technology and Research departments. He is married and has two sons and one grandson.
