

ALBERS
AEROSPACE

Wendy is the Vice President for Strategy and Business Development at Albers Aerospace. The company is headquartered in the Dallas area and is comprised of Three Business Units: (1) Manufacturing, (2) Engineering, Aviation, & MRO, and (3) Innovative Technologies. Wendy leads the Business Development and Marketing Team supporting strategy and growth across the Business Units. Albers Aerospace has experienced unprecedented growth since 2018 and continues to accelerate its product and services offering under a Inspire Others/Deliver Value vision and commitment to supporting our Warfighters through the development of dual use technologies.

Wendy has more than 25 years of leadership, strategy and Business Development experience supporting Navy and Marine Corps. After graduating high school, she joined the USAF where she spent 14 years between Active Duty and a Guardsman with the DCANG. During her time at the DCANG, Wendy went to work at Pax River MD. Since her early days at Pax River MD, Wendy grew into several roles including Accounting and Finance, Information Technology and Program Office Support where she continued to learn business strategies and gain valuable relationships that would set her career on a trajectory of personal growth within the contractor world and NAVAIR. She has excelled in creating strategic plans for several small and large business Contractors supporting year over year growth and exceeding targets. As a P&L Leader, Wendy successfully managed and led large teams and Annual Operating Plans leading to strong growth and achieving corporate goals.

Wendy graduated with a MBA from the University of Maryland Global Campus (UMGC) in March 2022. She can be reached at wlee@albers.aero
